

Payment & Agreement Notice

All payments are non-refundable. By proceeding, you agree to willingly allow garnishment for unpaid balances. This policy is heavily implemented and enforced. Failure to pay may result in legal action, including 20% interest, late fees, court and attorney fees, and additional collection costs.

I acknowledge and agree to the terms above, including the garnishment clause, which is heavily enforced.

This agreement is available for electronic signature and as a printable version for in-person use.
